

Janet Owusu

Candidate for Vice President

Faculty of Information Technology | Level 300

"Inclusion, integrity, impact."

ABOUT THE CANDIDATE

Janet Owusu — IT student and advocate for equity. A Vice President must stand for every student. I will ensure no group is left behind — pushing for gender equity, disability-friendly spaces, and transparent scholarship tracking.

MANIFESTO HIGHLIGHTS

- Gender equity task force
- Disability-friendly campus initiative
- Scholarship tracking portal
- Mental health awareness programme
- Student rights handbook

DETAILED POLICY POSITIONS

1. GENDER EQUITY

Launch a gender equity task force to audit campus policies, address discrimination, and create pathways for women in leadership.

2. ACCESSIBILITY

Advocate for ramps, accessible bathrooms, and assistive technology in all lecture halls and libraries for students with disabilities.

3. SCHOLARSHIPS

Build a publicly accessible scholarship tracking portal so students can monitor available opportunities, deadlines, and application status.

4. MENTAL HEALTH

Partner with the counselling unit to run regular mental health awareness weeks and ensure every student knows how to access support.

5. STUDENT RIGHTS

Publish a clear student rights handbook distributed to every new and returning student at the start of each semester.
