Faculty of Information Technology | Level 400

"Building bridges, not walls."

ABOUT THE CANDIDATE

I am Kwame Asante, a final year student of Information Technology at GCTU. With four years of student leadership experience, I bring a proven track record of advocacy, innovation, and service. My vision is a united, empowered student body that thrives academically and socially.

MANIFESTO HIGHLIGHTS

- Free printing credits for all students
- Extended library hours until midnight
- Better campus Wi-Fi infrastructure
- Student welfare emergency fund
- Industry mentorship partnerships

DETAILED POLICY POSITIONS

1. ACADEMIC SUPPORT

Negotiate extended library access hours and establish 24/7 study zones across all faculties. Partner with the IT department to provide free printing credits of GHS 50 per semester to every registered student.

2. CAMPUS INFRASTRUCTURE

Work with university management to upgrade Wi-Fi routers in all hostels and lecture halls. Push for reliable internet speeds of at least 50Mbps across campus.

3. STUDENT WELFARE

Establish an emergency welfare fund of GHS 20,000 per semester to support students in financial distress. Partner with local businesses for student discounts.

4. CAREER DEVELOPMENT

Create a formal mentorship programme connecting students with industry professionals. Organise monthly career talks and internship drives with top Ghanaian tech companies.

5. TRANSPARENCY & GOVERNANCE

Publish monthly SRC financial reports accessible to all students. Hold open town halls every semester and create a digital suggestion portal.
